The value of the site (which could not be granted free) is Rs 2517-3-6. The Agra Bank requests that as an alternative a "liberal" building grant might be given. The Bank is in a prosperous condition, and is enjoying support and countenance from Govt. I see no special reason for the grant hereby for.

Yes that is very reasonable rate. The entire site has been taken up at this rate. I do not know the land can be spared for construction of Kutir that is any part of existing building

DATED 9th October 1928

Dear Mr. Ramachandra Rao,

I am sending herewith for favour of submission to the Dewan-Saheb a copy of the Annual Report, on the working of the Mysore Provincial Co-operative Apex Bank, during the year ending 30th June 28.

It may not be out of place to request you to kindly remind the Dewan Saheb about our prayer for the free grant of the additional Site for the new Apex Bank building for the reasons already stated in my previous communications. The General Body meet on the 14th instant. I am anxious to announce to them what great interest he has been taking in this premier Co-operative institution and how much he has helped and is helping us.

If for any reasons, the Government find it difficult to grant the extra land free of cost, a liberal building grant at least may be kindly sanctioned to the Bank.

I have explained the situation both to Messrs. C.S. Balasundaram Iyer and K. Matthan, our esteemed Members of Council.

Thanking you in anticipation.

Yours sincerely,

S. Narayan Rao

Hon. Secretary.

Sir

With reference to the correspondence ending with your letter of the 9th Oct. 28 addressed to the Private Secy to the Dewan requesting the grant of an addl site for the new Apex Bank building, or for a liberal building grant I am directed to state that the grant of land

over

(C)

21 Rs 2/- per Sq 3rd. is Actl Concession rate. Govt does not think that the land can be given free of Cost ~~they request~~ nor do they ~~do not~~ find any ground for giving a building grant.
